Re.: Argyle Materials PC-ABS (FR)

Dear Valued Customer,

The Candidate List of 241 Substances of Very High Concern (SVHC substances) subject to authorization has been published by the European Chemical Agency (ECHA) on its website and was updated last on June 27th, 2024, in accordance with Article 59 of the REACH Regulation.

In that regard, we would like to confirm that such SVHC substances are not intentionally present above 0.1% w/w concentration in this product. Here is a link to ECHA's website where all 241 SVHC substances are published: <https://echa.europa.eu/candidate-list-table>

The ingredient information is based on our vendor's disclosure information, SDS's or letters of compliance. Argyle Materials, Inc. has not performed any testing to determine the presence of these substances in this product.

Regards,

Richard Smeenck, President
